

# PROTECTING YOUR LOVED ONES, ONE DECISION AT A TIME

## **LIFE AND ACCIDENTAL DEATH AND DISMEMBERMENT INSURANCE**

Life Insurance is protection for those you leave behind with a cash benefits that can help with final planning and a loss of future income.

Accidental Death and Dismemberment insurance, which the Hartford calls Accidental Loss of Life and Severe Injury Benefits, covers you for an accidental loss of motion, sight, limb or life.

## **How Could These Benefits Help Me?**

A sudden death or accident can change everything for your loved ones, but they don't have to be unprepared. Life insurance combined with Accidental Loss of Life and Severe Injury Benefits offers a payment that those who depend on your salary can use to ease the financial stress that comes with a sudden loss or severe injury.

They can use the money in any way they choose.

Examples could include:

### **Immediate Costs**

**Burial  
Funeral Expenses**

### **Ongoing Bills**

**Rent/Mortgage  
Credit Card Debt**

### **Future Expenses**

**College Tuitions  
Retirement Savings**

Life and Loss Benefits, which is what we call the combination of Life Insurance and Accidental Loss of Life and Severe Injury Benefits, help provide for those who depend on you if you can no longer financially support them. You and your loved ones can use the benefits from both plans together after an accident strikes.
