

THE PROTECTION YOU NEED WHEN IT MATTERS MOST

Critical Illness Benefits

Critical Illness insurance, which the Hartford calls Critical Illness Benefits, provides a cash benefit for covered illnesses

How Could These Benefits Help Me?

No one likes being sick, and a serious illness can have a major financial impact on your life. Health insurance can help with some medical expenses, but CRITICAL ILLNESS BENEFITS can help you with other bills.

These benefits help relieve financial strain with a lump sum cash benefit for covered illnesses, like cancer, a heart attack, or stroke. You can use the money however you need.

Examples could include:

Housing

Utilities

**Medical
Expenses**

Groceries

You may not be able to predict a serious illness, but you can help protect yourself financially. Critical Illness Benefits help you focus on recovery, instead of the expenses that come with it. Getting covered can give you peace of mind today and provide major relief later.
