## **Accidental Injury Benefits**

Accident insurance, which the Hartford calls Accidental Injury Benefits, provide a cash benefit for an accident.

## **How Could These Benefits Help Me?**

When an accidental injury like a fracture, dislocation or concussion interrupts your daily life, medical insurance protects you from doctor's office and medical costs, but Accidental Injury Benefits provide an additional cash benefit after an accident.

It can be used any way you choose, like:

**Deductibles  
on X-Ray  
Copays**

**Housing**

**Utilities**

**Groceries**

Accidents happen. Accidental Injury Benefits help give you peace of mind when you need it most. Get covered today so you can enjoy tomorrow.
